## ABOUT THE SAN ANTONIO GUNSLINGERS

Picking up the legacy of the popular USFL team from the 80s, the Gunslingers were founded in 2020 as an expansion team in the American Arena League. After a successful first season, the team joined the growing National Arena League in the fall of 2021. The team changed ownership partway through the 2022 season but was still voted the NAL Franchise of the Year, and several of our players received awards for their skills!

We're excited to see what our 2023 season brings! For more info visit [SanAntonioGunslingers.com](https://SanAntonioGunslingers.com)

## ABOUT THE NATIONAL ARENA LEAGUE

Founded in 2016, the National Arena League is now the premier leader in the sport of arena football. The NAL has rapidly grown throughout the United States, and has stretched coast to coast with six teams playing throughout the nation.

Our Mission Statement is *"To consistently provide reasonably priced family entertainment by vetted Arena/Indoor football teams, and to do so with honor and integrity towards our sponsors, fans, and supporters in the communities in which we serve."*

Check out the NAL website at [NationalArenaLeague.com](https://NationalArenaLeague.com)

## HOW IS ARENA FOOTBALL DIFFERENT?

Arena football as played in the National Arena League (NAL) is different from the outdoor game in many ways.

Our teams have a 21-man roster, compared to a 53-man roster in outdoor football. There are only eight men on the field, and five of those players play both offense and defense.

Our field is half the size of the outdoor field, and a little more than half as wide because there are no sidelines. A four foot padded wall called the "dasher board" surrounds the field instead. A player is down if they are pushed into the wall or hold the ball over the wall. This wall allows fans to get an up-close view of the game, and players can and do go over the wall. When this happens, we do request you give the players back, but you can keep the ball!

Scoring is similar to the outdoor game, but there are more ways to score. On a kickoff, a kicker who sends the ball through the uprights on the opposite end scores a "Deuce" for two points. But *if the kicker misses the net to the left or right, the receiving team is awarded a point instead.* A kick that rebounds off the net is live. If a kickoff returner is tackled in the end zone, the kicking team is awarded a point called a "Rouge" or "Uno." Speaking of the kicking game, the goal posts are half as wide as in the outdoor game, making extra points a lot harder. A team may also "go for two."

All of this is designed to make NAL games high-scoring, action-packed, and exciting to watch. We hope you will agree!

## NAL Fans' Bill of Rights

We, the players, coaches, officials, staff and owners of the National Arena League are thankful to the Fans that we serve; we appreciate their support, and dedicate ourselves collectively to providing them with the greatest sports in the world.

We believe that every Fan is entitled to a wholesome environment, free of violence or profane gestures and actions that could interfere with a first-class entertainment experience.

We believe that every Fan deserves our very best effort on a consistent basis, on every play on the field, every action in the stands, every call to our office, and in our involvement in our community.

We believe that every Fan is entitled to a total entertainment experience at an affordable price for all members of the family from the time they arrive at the arena to the time they depart.

We believe that every Fan should receive the very best in fair and competitive football, entertainment, merchandise, food, and beverage for their money.

We will offer Fans the opportunity to interact with and have access to players and coaches for autographs and conversation at the end of every game.

We believe that Fans are entitled to fast, accurate, and complete information about our players, coaches, league, games, and performance.

We believe that Fans expect the National Arena League to be comprised of gentlemen and ladies who are examples and role models for youth, free of physical violence, drugs, alcohol, and gambling abuse.

We believe that Fans expect us to honor our country before each game.

We encourage teams to pray together with Fans before each game begins.

We expect NAL teams to be involved in our communities and to make contributions for a better, safer, and more positive place to live.

We believe that Fans should know that we are committed to serve and not to be served, to give and not to just take, and to inspire and encourage people to higher levels of personal and professional achievement.

# JON WAYNE Flex

Jon Wayne Flex AC systems offer flexible comfort solutions that a traditional AC can't, without compromising your comfort.

## Why Choose a Flex AC System?

### Space Saving Design

With an outdoor unit less than a third of the size of a traditional AC, the Flex system is perfect for those with limited space (like zero lot lines) or unique installation needs like wall mounting. Great for safety and regaining backyard space!

### Whisper Quiet Operation

The Flex is so extremely quiet during operation that you won't even know it's "kicking in" due to its unique swing compressor with fewer moving parts. The results are low vibrations, low sound levels, and higher durability.

### Energy Efficiency

The Flex system features a variable speed fan that uses less energy but can still ramp up to meet your needs even on the hottest Texas days. This is paired with a motor that is up to 40% more efficient than typical AC motors.

### Build Quality & Warranty

Our Flex systems are built for quality and durability to handle extreme heat and humidity. Plus, they are backed by a 12-year parts & labor warranty and a 12-year unit replacement warranty, all serviced directly by Jon Wayne!

### Intelligent System Controls

All Flex systems come with an intelligent, app-enabled, 2-way system control that makes full use of the system's wide operating range, precision, efficiency, adaptability, and capability to run multiple zones.

### Air Quality & Humidity Control

By continuously running at low, energy-conserving levels, the Flex system is also constantly filtering the air in your home, ensuring optimal quality and removing the maximum amount of moisture from the air.

# GUNSLINGERS DOWN THE WARBIRDS AT HOME 55-49

The San Antonio Gunslingers hold on to win at home 55-49 over an inconsistent West Texas Warbirds squad struggling in their first season in the National Arena League. Each team gave up five possessions in the contest at the Freeman Coliseum in San Antonio.

Pierre Turner started the scoring for San Antonio on their opening possession with an 11 yard touchdown run. The Gunslingers would go on to score four more times to lead 39-17 at the half. But San Antonio would fritter away that 22 point lead to find themselves trailing the Warbirds 49-47 late in the fourth quarter. Facing a fourth down on their own ten yard line, the Gunslingers needed a clutch conversion. Kali Rashaad answered the call, hauling in a 39-yard pass to the West Texas one yard line. Two plays later, Arvell Nelson ran for his second rushing touchdown to put the game away 55-49. Nelson finished completing 15 of 28 passes with three touchdowns, two fumbles, and two interceptions. Kali Rashaad caught two touchdowns and Phillip Barnett grabbed his 11th touchdown reception of the year. Kicker Drew Pearson finished with a perfect five for five performance on extra point conversions, and wowed the crowd at the Freeman with two more deuces to bring his season total to three.

Mitch Kidd, Jordon Gandy, and Trevon Shorts combined at quarterback to complete 16 of 26 passes with two touchdowns to one interception.

West Texas receivers Donovan Rasberry and Jalen Childress each caught one touchdown. Trevon Shorts rushed for two more scores. Kicker Kevin Didio-Weber was a perfect six for six on extra point attempts and added two more deuces to bring his total to five for the season.

The win keeps San Antonio atop the league standings at 7-1 and will likely clinch a playoff berth with their next win over an opponent to be named by the league. The Gunslingers head coach Fred Shaw said of the result and his team, "Last year we didn't know how to finish games. This year we find ways. But come Monday, playtime is over for these guys. Our fans deserve better." For West Texas, the loss leaves them mired in sixth place at 2-7, above the recently exiled 1-7 Albany Empire. The Warbirds are currently scheduled to play the Fayetteville Mustangs next week in Fayetteville.
